Re: United States v. Lewis Clarke, 16 Cr. 32 (PKC)

Dear Judge Castel:

The Government writes to inform the Court that the defendant's state case in this matter has been dismissed. After its own review of the matter, the Government and the Probation Office do not intend to proceed further with the violation of supervised release and the Probation Office seeks to dismiss the specifications. The Government and the Probation Office therefore respectfully request that the Court dismiss the specifications dated May 30, 2024.

The Government has attached, as Exhibit A, a proposed order which dismisses the specifications and provides for Mr. Clarke's immediate release from the residential reentry center at which he currently resides.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
